

XR Accelerator

xR Network+

Certificate of completion

Awarded to:

Claire O'Brien

This certificate verifies completion of the XR Accelerator course by CodeBase and XR Network+.

In this part-time, six-week course (May-June 2024), participants developed entrepreneurial skills and explored what goes into creating a technology business. Alumni gained knowledge of intellectual property emerging from research, commercial pathways and models, and funding options.

Emiliya Yordanova, Programme Manager

Jim Newbery, VP of Education & Product
